MERRY CHRISTMAS!

HOLIDAY DANCE OF LEGION AUXILIARY

Christmas week would surely be incomplete with all its spirit, exchange of gifts, reunions, and visits, without a holiday dance, so the Torrance Unit of the American Legion Auxiliary will stage their Christmas Carnival dance on Saturday evening, December 30, and they promise all the usual surprises and special features that go to make these dances so popular and successful. Lucky Spot dances, con-fetti, serpentine, favors, good snappy music, lots of Christmas and New Year's spirit, all are on the program for the last evening in Christmas week.

No tickets are printed for this dance, and admission at the door will be seventy-five cents (75c) per couple, and twenty-five cents (25c) for extra ladies. All the usual patrons of the American Legion Auxiliary dances are enthusiastically looking forward to this carnival dance, and it is hoped that the American Legion Hall will be filled to capacity. A cordial invitation is extended to the people of Torrance to participate in this celebration.

Mr. and Mrs. Joseph Stone of South Gramercy will entertain the latter's parents, Mr. and Mrs. Joseph Flint, and Miss Laura Couch of Los Angeles, and Mr. and Mrs. L. C. Miller of Torrance, Christmas Day.

Chiropractic plus Nature plus Time equals Health!

YOU WISH HEALTH? Of Course we all do. When it is considered that about seventy-five per cent of a Chiropractor's practice is made up of "Chronic Cases" (the "incurable" cases of other methods) it will be understood what wonderful results are possible in acute cases, if the Chiropractor is called at once.

Chiropractic is the greatest preventative of disease known. If every man or woman would call a Chiropractor instantly whenever they begin "to feel sick" much ill health could be prevented. I have moved to Torrance so will be in my offices in the First National Bank Bldg., daily, with the exception of Thursday mornings. My office hours are:

FROM 9:00 until 12:00; 2:00 until 4:30, and at other times by appointment. If you wish special attention at any time we are living at 1816 Arlington, where a telephone will be installed soon.

Legion Football Team Wins First Game

Last Saturday the American Legion trimmed the Llewellyn Indians in the second annual football game to the tune of 22 to 0. The score was quite a surprise to all, as the Legion was given only an outside chance to win.

The game started with the Legion receiving. They immediately carried the ball to their 10-yard line by a series of line bucks and end runs, only to lose the ball on a fumble. The Indians punted out of danger, and the Legion again took up the march for a touch down. Again, by mixing end runs and bucks they carried the ball to their 10-yard line where Whisler attempted a goal from the field, but the ball was elusive, and went to the Indians on their 20-yard line. The Indians were held for downs, and were forced to punt. Again the Legion marched down the field and a touchdown seemed assured when it was learned that only one minute was left to play in the half, so, again, Whisler was called upon to use his million-dollar toe, and this time the ball sailed squarely between the goal posts, and the half ended, with the score 3 to 0 in favor of the Legion.

The Indians received at the beginning of the second half only to be forced to punt on the fourth down. The Legion boys seemed to have found themselves by now, and began to open up the play somewhat, and by this means were soon across the Indian's line for a touchdown. In the try for goal an offside penalty against the Indians gave the Legion the desired extra point.

Again the Indians received, but were again forced to punt. The Legion again marched the ball down the field, and over the goal for a second touchdown. The goal was missed. Score: Legion 16, Indians 0.

Again the Indians received and were forced to punt. This time the Legion was fighting against time for another touchdown, and crossed the line just 29 seconds ahead of the whistle. The goal was missed, making the final score 22 to 0.

Credit is given the players of both sides for the clean sportsmanship displayed, and many friends were made for the game. Both sides fought hard for victory and each displayed a good knowledge of the game.
